Decoration Set Up/ Storage

Since access to the ceremony site is granted at 10am the day of your wedding, you are able to store your décor with us the week of your wedding. As an added service, we will help with basic decoration set up and take down on the day of your wedding to help relieve stress on the big day (*some limitations apply as detailed in the booking contract). In order to take advantage of this opportunity you must schedule a meeting with your wedding coordinator the week of your wedding.

Stewart Creek allows natural flower petals to be scattered during your ceremony; however confetti is prohibited. A clean up fee will be added if required. Tape, tacks and nails are not permitted without prior consent from the Club, and lights are not permitted to be strung from the rafters of the ceiling. Art work cannot be removed from the walls. Open-flame candles are permitted as long as they have a base to catch any drippings. Pets of any kind are not permitted inside the clubhouse unless they are certified service dogs.
