Ceremony Rehearsal

We will do our best to accommodate any requests for ceremony rehearsals hosted on site the day before your wedding during regular business hours (9am – 5pm). Please speak to your wedding coordinator 2 weeks prior to discuss availability and timing. Please note: due to the operation of our restaurant, indoor ceremony rehearsals are not available.

Ceremony Decoration Set Up/ Storage

Since access to the ceremony site is granted at 10:30 am the day of your wedding, you are able to store your décor with us the week of your wedding. As an added service, we will help with basic decoration set up of your wedding to help relieve stress on the big day (*some limitations apply as detailed in the booking contract). In order to take advantage of this opportunity you must schedule a meeting with your wedding coordinator the week of your wedding. All décor must be removed from the ceremony tent on the day of your wedding.

Stewart Creek allows natural flower petals to be scattered during your ceremony; however, confetti is prohibited. A clean up fee will be added if required. Tape, tacks and nails are not permitted and you will be charged for damages to any space on Stewart Creek property. You are not permitted to hang string lighting or décor from the rafters of the tent. Open-flame candles are permitted as long as they have a base to catch any drippings. If you would like your dog to be part of your outdoor ceremony, pets are permitted as long as they have a handler that keeps them on-leash at all times. Dogs are only permitted in and around the ceremony tent, and all messes must be cleaned up by the handler or a clean-up fee will be applied to your account. Pets of any kind are not permitted inside the clubhouse unless they are certified service dogs.
